quincykagai@gmail.com
P.O BOX 22722-00603,
Nairobi.

PROFILE

I am a motivated, dedicated, loyal and ambitious person who can work both within a team and unsupervised. I believe that I would embrace any new challenges that come with the role. I am a very good listener with relatively good people skills.

EDUCATION

High School
2013-2016

I complete my Kenya Certificate of Secondary Education examinations and attained B- and a mean score of A- in Mathematics and C+ in English

University
2017-

Currently I school at Strathmore University pursuing Bachelor of Informatics and Computer Science.

WORK EXPERIENCE

Attaché
*CITAM Schools-
Woodley*
2019

My role was to help in marking of various exams, coordinating school events, conducting lessons and data entry.

IT Support Intern
*Madison Group
Limited*
2022-2023

My role was to provide assistance to company staff with IT-related problems, to come up with tools and software that would help with operations within the company such as the Madison Better Life Quotation Tool, maintain IT equipment used within the organization and assist in maintaining in house systems within the organization

Freelancer
2020-2023

I have worked on several projects as a software developer freelancer such as developing websites for companies such as Tet Motor Parts and Gathoni Mugo Muigai Advocates
